### Guarantee

Examsoon provides the most competitive quality of all exams for the customers, we guarantee your success at the first attempt with only our Certification Question&Answers, if you do not pass the exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!.

### Features

1. Comprehensive questions with complete details
2. Instant Downloadable in PDF form.
3. Verified Answers Researched by Industry Experts
4. Questions accompanied by exhibits
5. Drag and Drop questions as experienced in the Actual Exams.
6. These questions and answers are backed by our GUARANTEE.
7. Questions updated on regular basis.
8. Like actual certification exams our product is in multiple-choice questions (MCQs).

1. Which task must be completed during the System Acceptance Test Plan service component?

- A. Create a Plan to Ensure That All Hardware and software Functions are included
- B. Determine Network Elements That Will Be Tested
- C. Customer Signs a "Letter of Understanding" Based on the Design Created
- D. Agreement on the Logistics of the Implementation with the customer and Stakeholders

**Answer: B**

2. Which two service components are performed during the Implement phase? (choose two)

- A. Security Readiness Assessment
- B. Staff Training
- C. Site readiness Specification
- D. Project Kickoff
- E. Configuration Management
- F. Design Review

**Answer: B.D**

3. Which activity is conducted as part of the Security Readiness Assessment?

- A. Document Logical-Level Functionality
- B. Assess and Document Infrastructure Requirements for the Proposed Solution
- C. Assess Existing Software Operating Procedures
- D. Perform Preliminary Gap Analysis
- E. Document Location of Legacy Equipment

**Answer: C**

4. Which task is performed during the development of a detailed design for CSA?

- A. Review and Generate an IP Addressing Scheme
- B. Determine CSA Feature and Function Design Specifications
- C. Define Policies and Groups
- D. Determine Network Availability/Redundancy Specifications

**Answer: C**

5. Which task is conducted as part of the Business case Alignment in the optimize phase?

- A. Conduct Network Assessment
- B. Analyze and Document Hard Dollar, Productivity, and Business initiative Gains
- C. Monitor Endpoint Solution System Dashboard Events Summaries, Graphs, and Alarms
- D. Document Systems, Processes, Flow-through, tools, People, Skills, and Best Practices
- E. Determine Network Availability/Redundancy Specifications
- F. List All Security Network Devices to Be Implemented

**Answer: B**

6. Which task is conducted as part of the optimization workshop?

- A. Document New Corporate Business initiatives Requirements
- B. Analyze and Document Hard Dollar, Productivity, and Business initiative Gains
- C. Monitor Endpoint Solution System Dashboard, Event Summaries, Graphs, and Alarms
- D. Document Systems, Processes, low-through, Tools, People, Skills, and Best Practices
- E. Determine Network Availability/Redundancy Specifications

**Answer: A**

7. In Which service component should troubleshooting of the endpoint solution be executed?

- A. System Monitoring
- B. incident or problem management
- C. Security Administration
- D. Configuration Management

**Answer: B**

8. In Which service component is the analysis or the customer's current security policies and procedures performed?

- A. Site Readiness Assessment
- B. Kickoff Meeting
- C. Security Readiness Assessment
- D. Detail Design Development

**Answer: C**

9. Which service component should be executed before change Management?

- A. Operation Assessment
- B. Operations setup
- C. Operations Design
- D. Escalation Process

**Answer: B**

10. Which resource is most often used during the Detailed Development: Feature/Functionality Design Development?

- A. Business Requirements Document
- B. Product Configuration Checklist
- C. Site Survey
- D. System Readiness Assessment Report
- E. Acceptance Test Plan

**Answer: B**

11. Where are the current escalation procedures of the customer typically documented?

- A. High Level Design
- B. Preliminary Discovery Document
- C. Security Readiness Assessment
- D. Business Requirements Document

**Answer: C**

12. For a security solution, which two tasks are associated with the Business Requirements Development service component? (Choose two)

- A. Perform Preliminary Gap Analysis
- B. Identify CSA, IPS or MARS System Requirements for Supporting Current Operating System Software
- C. Identify Key Stakeholders/Business Owners for the Business Requirements Workshop and Send invitations
- D. Assess Technical Infrastructure for the Security Solution
- E. Document Departmental Business initiatives Requirements
- F. Document Current Topology, Hardware and Software

**Answer: C E**

13. Which activity is conducted by using CSA release notes as a resource?

- A. Determine CSA Feature and Function Design Specifications
- B. install S/W and Achieve Connectivity
- C. implement Policies and Groups
- D. Fine Tune the Custom Policy

**Answer: B**

14. Which service component draws upon the information that is collected throughout the prepare, plan, and design phases?

- A. Implementation Plan
- B. Staging Plan
- C. System Acceptance Test Plan
- D. Package and Price Design

**Answer: A**

15. Which service component In the security solution design phase provides a step-by-step plan detailing the installation activities and tasks to be performed In a controlled environment?

- A. staging Plan Development
- B. Detailed Design Development
- C. Implementation Plan
- D. Operations Design

**Answer: A**

Examsoon.com was founded in 2006. The safer,easier way to help you pass any IT Certification exams . We provide high quality IT Certification exams practice questions and answers(Q&A). Especially [Adobe](#), [Apple](#), [Citrix](#), [Comptia](#), [EMC](#), [HP](#), [Juniper](#), [LPI](#), [Nortel](#), [Oracle](#), [SUN](#), [Vmware](#) and so on. And help you pass any IT Certification exams at the first try.

we guarantee your success at the first attempt with only our Certification Question&Answers, if you do not pass the exam at the first time, we will not only arrange FULL REFUND for you, but also provide you another exam of your claim, ABSOLUTELY FREE!
